Stipend Guidelines

- * - Expenses up to the amount of the eligible stipend may be donated to the AJGA, which is a 501(c)(3) organization. Once the form AND receipts are received, a charitable contribution receipt letter will be sent to you for your tax records.
- Receipts **MUST** be enclosed for all expenses - for either a reimbursement check or a charitable donation. A Google Maps is required to substantiate mileage. 2026 mileage reimbursement is \$0.725/mile which covers gas plus devaluation/depreciation costs of the vehicle.
- The AJGA is not permitted to provide reimbursement for items bought with frequent flier miles or point rewards programs (per United States Golf Association guidelines).
- Reimbursable expenses include travel to/from the event (flight, mileage or gas, if driving) for the junior only. Parents' expenses are not eligible for reimbursement. Airline receipts must show juniors name.
- Reimbursement for multi-leg flights (traveling to more than one destination) will be determined based on a percentage of the total cost of all the flights. This method complies with the United States Golf Association's Rules of Amateur Status guidelines.
- Travel stipend requests must be submitted to Tournament Director, Jacob Kennedy, by **July 26, 2026**. Any requests received after this date will only be honored in the form of a charitable donation to the AJGA as outlined in #1 above.
- The Tournament Stipend committee reserves the right to approve/deny any reimbursement of stipend expenses.
- Liberty National ACE Grant Members must submit this stipend reimbursement along with their Liberty National ACE Grant Reimbursement Worksheet. *Attention to: Liberty National ACE Grant (not to the Tournament Director)*
- If you are an international competitor and would like to receive your travel stipend via wire transfer, please contact Jacob Kennedy for the International Wire Transfer Form.
