- \$500 if traveling from East of the Mississippi
- \$750 if traveling Internationally or from Hawaii

Stipend Guidelines

1. * - Expenses up to the amount of the eligible stipend may be donated to the AJGA, which is a 501 (c) (3) organization. Once the form **AND** receipts are received, a charitable contribution receipt letter will be sent to you for your tax records.
2. Receipts **MUST** be enclosed for all expenses - for either a reimbursement check or a charitable donation. A Mapquest printout (www.mapquest.com) is required to substantiate mileage. 2019 mileage reimbursement is \$0.58/mile which covers gas plus devaluation/depreciation costs of the vehicle.
3. The AJGA is not permitted to provide reimbursement for items bought with frequent flier miles or point rewards programs (per United States Golf Association guidelines).
4. Reimbursable expenses include accommodations and travel to/from the event (flight, mileage, rental car or gas) for the junior only. Parents' expenses are not eligible for reimbursement. Airline receipts must show juniors name.
5. All travel stipend requests must be submitted to Tournament Director Nathan Nottrott by **July 8**. Any requests received after this date will only be honored in the form of a charitable donation to the Association as outlined in #2 above.
6. The Tournament Stipend committee reserves the right to approve/deny any reimbursement of stipend expenses.
7. If you are an international competitor and would like to receive your travel stipend via wire transfer, please download and return the [International Wire Transfer Form](#). PLEASE BE ADVISED: a \$36 fee will be deducted from your stipend to cover the cost of this service.
